Welcome to Jasmi

Jasmi stands as a proud Indian-owned and operated sofa business, setting the standard of excellence in manufacturing sofas since 2006. Our expertise lies in crafting the finest craftsmanship, catering to the demands of prominent retailers across India and international markets alike.

Our modern and contemporary furniture is designed for luxury, comfort, practicality, and the ability to last the test of time while remaining artful in its design.

Compromising is unacceptable to our standards. Our customers are our partners in success, which is why it is always a long term relationship that is built on trust, respect, and care. At Jasmi, we do this, by creating products that meet the expectations and aspirations of customers who share the same values as we do.
